Real Estate Web Marketing Case Studies

Our business is based on thorough data analysis. When you visit our Featured Case Studies understand they are 'active campaigns.' We provide our visitors with real time examples of our strategies at work. The success of each client campaign is crucial to retaining valued clients and attracting new ones.

Below are 4 different active web marketing campaigns. They demonstrate how to target unique markets, in different geographical locations with very different land offerings.

www.liscomboceanfront.com - Oceanfront homesites on a calm, deep channel in Nova Scotia.

www.stmarysriver.ca - Riverfront acreages on a pristine salmon fishing river in Nova Scotia.

www.sanmiguelbythesea.com - Oceanfront homesites on the Pacific coast of Costa Rica.

www.pikeriverwilderness.com - Largest private land tract for sale in the State of Minnesota
